

## KIPUKE MINISTRIES JANUARY 2015 NEWSLETTER

Greetings to all of you from Kipuke Ministries!

We spent our November month mainly in the growth of our crops to provide our students, staff and workers with enough food.

We had a very nice and blessed Christmas and Happy New Year 2015 Celebrations. KM is very appreciative of Two donations received to help us provide our orphans, students, elderly persons and our staff and workers with gifts and decent meals for these very special holidays. A very big Thank You to Marvin UMC Men's Fellowship and the Fehrman's family from Trinity On The Hill UMC. Your donations

came at the right time and helped put smiles on the faces of those we are called to serve here in Togo. You will never imagine how many families were provided with gift of a meal, clothes and/or shoes to celebrate Christmas and Happy New Year 2015 with.

We are very happy to announce the arrival of our intern from PeachTree City UMC. Helen Davidson will spend Four months and an half helping in teaching English as a second language to KM students and also focusing on the Christian life mentoring with students and staff and workers. Our entire community is very happy that Ms. Davidson is back to Togo to be with us and share her blessings with us as well.
